### Items

- Wave me around and my magic will astound!
- I'm delicious; it's true, but like Snow White, I'll put a spell on you!
- I'll grow and grow into the sky, but be careful! There are giants standing by.
- No need to steal or beg - the crown you seek is for King George's head!
- You've saved the day! As a hero, you're set, but you'll need me to ride off into the sunset.
